Product information Leather holder for aerosol cans

Leather holder for aerosol cans

for mounting on a belt

Practical leather holder for aerosol cans. The holder is equipped with eyelets for mounting on a belt.

The design assures a tight fit and, at the same time, allows a quick insertion and removal of the aerosol can.

- High-quality made of real cowhide
- Riveted
- Black
- Extremely solid construction
- For storage of 500-ml aerosol cans

art. no. B156
